THE BIBLE IS THE COVENANT BOOK

While we shall deal with the details of the eight Bible Covenants in separate pages from this one (see CONTENTS page), it remains vitally important to establish the fact that the Bible is The Covenant Book. A covenant is generally defined to be an agreement, either conditional or unconditional, usually formal, between two or more persons to do or not do something specified.

ALL of God's relationship with His Creation, and with Adamkind in particular, is based upon Covenants, beginning for us in Genesis Chapter One with the conditional Edenic Covenant and in Genesis Chapter Three with the unconditional Adamic Covenant. It is necessary for us to establish the fact that all of the Bible Covenants were made EXCLUSIVELY with ONE PEOPLE:

"This is the book of the generations of Adam . . ."

The proper application and understanding of these few opening words of the fifth chapter of Genesis are most vital and critical to our approach, not only in regard to the Book of Genesis but to the entire Bible, which is a THE WORD OF GOD and THE COMPLETE REVELATION of Almighty God's Plan and Purpose in the earth, directed EXCLUSIVELY to and for ONE PEOPLE, namely the actual blood descendants of Adam! While this knowledge and teaching was *commonplace* and *generally understood* until the middle of the nineteenth century (around 1850), it has been sorely neglected and is today an adulterated mixture of tremendous misunderstanding, misinformation and even more sadly, deliberate *disinformation*. Those who have the most to lose by the *proper* identification of God's Covenant People are the *imposters* who themselves are pretending to be those very people. More information regarding a large part of this present and persistent misdirection can be found at the following link:

The Bible is a **RACIAL** Book. The modern racial stock of Adam is commonly known as "Caucasian". Many of us never seem to think about this term which is generally used to identify fair-skinned or "white" people. This term originates from the region of the Caucasus mountain range which is located at the border of Europe and Asia, between the Caspian and Black Seas. This is the very same place where the ancient Israelites – the "northern kingdom", also variously known as the "ten tribes", "the 'lost' tribes", "the Diaspora", "the scattered house", "nations", "gentiles", "*ethnos*" – were "imprisoned" by the Assyrians following the Israelites' forced removal from Samaria, because of their persistent infidelity and idolatry, beginning around 745BC.

This larger portion of the greater kingdom of Israel never returned to Canaan / Palestine but were scattered out from the Caucasus range, primarily into western Europe, the British Isles (the

word "British" meaning "Covenant Man") and eventually into the North American continent. The word "America" means "God's Kingdom". The migration of Caucasian Covenant Israelites to North America is the fulfillment of Bible prophecy given to King David, as recorded in Second Samuel 7:8-10

"Now therefore so shalt thou say unto my servant David, Thus saith the LORD of hosts, I took thee from the sheepcote, from following the sheep, to be ruler over my people, over Israel: And I was with thee whithersoever thou wentest, and have cut off all thine enemies out of thy sight, and have made thee a great name, like unto the name of the great men that are in the earth.

Moreover **I will appoint a place for my people Israel, and will plant them, that they may dwell in a place of their own, and move no more;** neither shall the children of wickedness afflict them any more, as beforetime, . . ."

Since this prophecy, a part of the unconditional Davidic Covenant, was given to David while he was king of Israel, in ancient Palestine, the "place" being spoken of here was referring to some *other* geographical area. Other verses which provide further commentary and support regarding this "new" place include, among others, First Chronicles 17:9; Ezekiel 34:13 & 29; Genesis 28:14; Deuteronomy 33:13-17; Zechariah 10:8-9; Isaiah 49:1-3, 51:4-5; Jeremiah 31:10; Jeremiah 1:10; Jeremiah 31:27-28; Ezekiel 38:8 & 11; Isaiah 18:1-2; Amos 9:9.

ALL of the Bible Covenants were and are made with the SAME people. We could also most confidently assert that the Bible is both a history of, and a commentary on, this people to fully illustrate and examine both their obedience and their disobedience to the several Covenants. The most notable rewards for obedience include the blessings of extended true peace and incredible prosperity, as in the earlier years of Solomon's reign over the united Kingdom of Israel. Consequences and curses always accompany disobedience, including captivities, deportation, deprivation, division, false witness, famine, exile, murder, pestilence, plague, recrimination, slander, slaughter, theft and vengeance. (Read Deuteronomy Chapter 28)

Five of the eight Bible Covenants are unconditional; the Edenic, Mosaic and Land Covenants each have conditions which required obedient performance on the part of Israelites. Disobedience to the Edenic, Mosaic and Land Covenants ultimately resulted in deportation and exile, including Jehovah Elohim's divorce from the "northern kingdom" of Israel which immediately preceded their exile and subsequent captivity. The original Eden was destroyed in the Noahic Flood; its geographical boundaries cannot even be reliably located. Though prophecies and warnings were numerous throughout the Scriptures and Jesus Christ Himself wept over Jerusalem and the Israelites' many lost opportunities (*St. Matthew 23:37-39, St. Luke 13:34-35*), the area now commonly known as Palestine, the subject of the Land Covenant, was left wholly desolate and completely forsaken following the utter destruction of Jerusalem by the Roman army in 70AD, leaving ". . . *not one stone upon another. . .*" (*St. Matthew 24, St. Mark 13, St. Luke 19, St. John 21*). Since that time, this tiny land mass has been a hot potato which has been variously occupied by a number of firebrands, not the least of which are the present posers and pretenders, the imposters who claim they are "Jews" (of Judah who are falsely and deliberately calling their "democratic" socialist zionist state (not "kingdom") by the sacred name of Israel.

While we fully realize that almost all of the foregoing information may appear "brand new" to many of our visitors, and that so much of it is now both "religiously" and "politically incorrect", it is nevertheless the TRUTH, and TRUTH has always been its own vindication, plainly stated and presented with no disclaimer or apology. And "thanks" in great part to federal government indoctrination *on every level* (also popularly known as "public education") as well as to

traditional "religious" instruction (much of which is not genuinely Bible-based or Divinely inspired), we have had *much* more help in misunderstanding Bible Truth! Long-time systematic infiltration by sworn and dedicated enemies of the Gospel of The Kingdom of God into seminaries, denominations, religious organizations and foundations, "independent" church assemblies, ministerial associations and Bible societies continues to result in confusion regarding baseline Bible doctrines, the correct interpretation and understanding being absolutely necessary to the proper execution of the Plan and Purpose of God in the earth by and through the agency of His Own, the true Covenant Seed of Abraham.

Nevertheless, God is not mocked: though many an "educated" fool has attempted to argue and to withstand His Wisdom and the incontrovertible evidence of His inviolate Word, the testimony of God stands forever, fully established in the heavens, with all things being upheld by the word of His Power. More to come . . . still
